OpenID

Spec Approval Votes

- OAuth 2.0 Form Post Response Mode specification
 - <https://openid.net/foundation/members/polls/96>
 - Vote closes April 24th
- OpenID 2.0 to OpenID Connect Migration
 - <https://openid.net/foundation/members/polls/91>
 - Vote closes April 9th
- Please vote in both polls now!

Session Management / Logout

- Two complimentary specs currently
- Session Management
 - http://openid.net/specs/openid-connect-session-1_0.html
- HTTP-Based Logout
 - http://openid.net/specs/openid-connect-logout-1_0.html
- A back-channel logout spec also planned
- Discuss!

OpenID

OpenID Certification

- Certification will launch during RSA in two weeks
- First phase is OP conformance testing
- <http://openid.net/certification/>
- Roland Hedberg will talk more about testing
